Re: - Rescinding Cancellation of Permit - CC024079

Dear Kynsi Construction, Inc.:

On February 16, 2022, the Washington Utilities and Transportation Commission (Commission) cancelled Kynsi Construction, Inc., d/b/a Kynsi Construction,'s permit CC024079 for failure to file proof of liability and property damage insurance covering equipment.

It has come to our attention that insurance covering permit CC024079 was filed with this Commission. The Commission records now reflect that proof of liability and property damage insurance covering permit CC024079 is properly filed.

The Commission, therefore, rescinds the cancellation and reissues permit CC024079 in the name of Kynsi Construction, Inc.. The permit is enclosed, and the company may again operate on a permanent basis.

Kynsi Construction, Inc. must continue to comply with state laws and Commission rules. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
